**HX600S-Li 5 Watt Submersible VHF Handheld with DSC, AM/FM & Air Band Receive
"Now with Li-Ion Battery"**

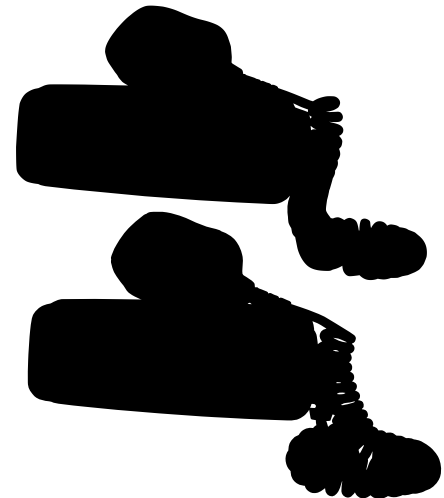

The HX600S is capable of being connected to a GPS through the charging cradle, which allows DSC distress calls to be sent with GPS position. The submersible HX600S produces 700mW (loud) of speaker audio output with Audio (bass and treble) Tone Control. The HX600S is supplied with all the accessories you need, a high capacity non-memory 1700mAh Lithium Ion (Li-Ion) battery, 110VAC and 12VDC chargers with drop-in cradle and heavy duty belt clip, a visual battery indicator, NOAA weather channels with alert, SAME Weather alert, Dual Watch, tri-watch, memory scan, programmable Priority Scan, battery saver, a large LCD display and user-changeable channel names. Additional features include a super bright LED strobe light which blinks internationally recognized SOS, speaker microphone jack and optional voice scrambler. The HX600S is backed by an industry leading 3-year waterproof warranty.
