HUMMINBIRD

16 Channel WAAS GPS Receiver

Access advanced GPS, Trackplotting and navigation capabilities built into your Matrix fishing system with a precision 16 channel GPS receiver with WAAS/EGNOS capability. See your position, breadcrumb trail, waypoint and fishfinder on one BIG easy to read screen! Use Matrix features such as the virtual trolling grid for more accurate trolling patterns or waypoint targeting to help keep you on top of a hot spot. Comes with 20' of cable.
